MEMORANDUM FOR:

25X1

SUBJECT:

Termination of Special Committee for
Photographic Intelligence Center
Projects

1. This is to formally notify you of the termination of the subject committee and to thank you for your participation in the work of this committee. Timely decisions and recommendations made by the committee were much appreciated.

2. Further refinement of unresolved problems and issues concerning Center reports will be a primary responsibility of the Publications Staff as currently constituted. Your *continued* interest in these matters is encouraged, and I am sure  as Chief of this Staff, will welcome any advice or assistance that you may offer.
